permitted work is complete, and that a satisfactory report of final inspection be submitted, along with all required submittal documents, so that the NYC Department of Buildings may issue a Letter of Completion or Certificate of Occupancy within the time prescribed by law. I have authorized the applicant to file this application for the work specified herein and all future amendments. I will not knowingly authorize any work that is not in compliance with all applicable laws, rules, and regulations. YES NO Fee Exemption Request (Non-Profit Owned and Operated) × In accordance with Administrative Code §28-112.1, Exception 1, I certify that the deed holder is a corporation or association organized and operated exclusively for the purposes indicated in such section, and that the property is used exclusively by such entity for such purposed. X Fee Exemption Request (NYCHA/HHC, NYC Agency, or Other Government Owned and Operated) The building or any part thereof to be constructed, renovated, altered or demolished is owned and operated exclusively for the purposes of the NYC Agency, NYC Authority, NYS Agency, Federal Government or any other government entity. X Owner's Certifications Regarding Occupied Housing The building to be altered, constructed or demolished contains one or more occupied dwelling units. The building to be altered, constructed or demolished contains one or more dwelling units that will remain occupied during construction. These occupied dwelling units have been clearly identified on the submitted construction documents. The site of the building to be altered or demolished, or the site of the new building to be constructed, contains occupied housing accommodations subject to rent control or rent stabilization under Chapters 3 and 4 of Title 26 of the New York City Administrative Code. If yes, select one of the following: The owner is not required to notify the New York State Homes and Community Renewal (NYSHCR) of the owner's intention to file because the nature and scope of the work proposed, pursuant to NYSHCR regulations, does not require notification. The owner has notified the New York State Homes and Community Renewal (NYSHCR) of its intention to file such construction documents/apply for such permit and has complied with all requirements imposed by the regulations of such agency as preconditions for such [filing/application]. Provide date NYSHCR notified: Owner's Certification for Directive 14 Applications (if applicable) I have read and am fully aware of the applicant's statement that the construction documents submitted and all construction documents related to this application will not require a new or amended Certificate of Occupancy as there is no change in use, exits, or occupancy and the work is not inconsistent with the current certificate of occupancy Furthermore, I understand that I am responsible for retaining a qualified design professional to perform a final inspection when the permitted work is complete and this professional must submit a satisfactory final

following inspection prescribed by Department rule. Notes for Section 26A: Section required if unit owner signed Section 26. Signature required for authorized representative of Condo or Co-Op Board.

inspection report to the NYC Department of Buildings within the time
